

WAURN PONDS ESTATE

2007 RIESLING

TASTING NOTE

A classic climate varietal wine displaying racy acidity with citrus overtones of lemon & lime. The wine has excellent intensity and length.

CELLARING

Will reward cellaring for up to five years (about 2012).

FOOD MATCHING

Serve with oysters, shell fish and other fish dishes such as flathead or whiting.

TECHNICAL INFORMATION

13.0% alc/vol

WINEMAKER

Duncan McGilivray

"Fed up with flash stuff from Eden & Clare, but don't want to lower your standards? Here's an option. A little less refined, but that's Geelong for you, and perfect for George [Bush, during the APEC conference]. 8.3/10.

Max Crus, Grafton Daily Examiner, 15-16 September 2007
